PRODUCT OVERVIEW
1. LED indicator
2. USB connector
3. Power button
4. LED indicator
5. Charging port

Table with columns: Power Level, LED 1, LED 2, LED 3, LED 4, LED 5. Rows include On/Off status for various power levels.

Charging port mode
1. Turn on the LED indicator button on the battery back and enable the wireless charging mode.

Fast charging
1. Turn on the Fast Charging button on the battery back and enable the fast charging mode.

LED information
Power Level LED 1 LED 2 LED 3 LED 4 LED 5
On/Off status for each LED.

Fast Wireless Share (FWS)
1. Turn on the FWS button on the battery back and enable the FWS mode.

PRECAUTIONS
1. Do not use the device in wet or humid environments.

PRODUCT SPECIFICATIONS
1. Model: LEXON L128
2. Dimensions: 14.2 x 7.6 x 2.4 cm
